**ASSIGNMENT OF LIFE INSURANCE POLICY AS COLLATERAL**

A. FOR VALUE RECEIVED the undersigned hereby assigns, transfers and sets over to \_\_\_\_\_ of \_\_\_\_\_, its successors and assigns, (herein called the "Assignee") Policy No. \_\_\_\_\_ issued by the \_\_\_\_\_ (herein called the "Insurer") and any supplementary contracts issued in connection therewith (said policy and contracts being herein called the "Policy"), upon the life of \_\_\_\_\_ and all claims, options, privileges, rights, title and interest therein and thereunder (except as provided in paragraph C hereof), subject to all the terms and conditions of the Policy and to all superior liens, if any, which the Insurer may have against the Policy. The undersigned by this instrument agrees and the Assignee by the acceptance of this assignment agrees to the conditions and provisions herein set forth.

B. It is expressly agreed that, without detracting from the generality of the foregoing, the following specific rights are included in this assignment and pass by virtue hereof:

1. The sole right to collect from the Insurer the net proceeds of the Policy when it becomes a claim by death or maturity;
2. The sole right to surrender the Policy and receive the surrender value thereof at any time provided by the terms of the Policy and at such other times as the Insurer may allow;
3. The sole right to obtain one or more loans or advances on the Policy, either from the Insurer or, at any time, from other persons, and to pledge or assign the Policy as security for such loans or advances;
4. The sole right to collect and receive all distributions or shares of surplus, dividend deposits or additions to the Policy now or hereafter made or apportioned thereto, but any sums so received by the Assignee shall be credited to any indebtedness owed by the Insured to the Assignee; and
5. The sole right to exercise all nonforfeiture rights permitted by the terms of the Policy or allowed by the Insurer and to receive all benefits and advantages derived therefrom.

C. It is expressly agreed that the following specific rights, so long as the Policy has not been surrendered, are reserved and excluded from this assignment and do not pass by virtue hereof:

1. The right to collect from the Insurer any disability benefit payable in cash that does not reduce the amount of insurance;
2. The right to designate and change the beneficiary;
3. The right to elect any optional mode of settlement permitted by the Policy or allowed by the Insurer;

but the reservation of these rights shall in no way impair the right of the Assignee to surrender the Policy completely with all its incidents or impair any other right of the Assignee hereunder, and any designation or change of beneficiary or election of a mode of settlement shall be made subject to this assignment and to the rights of the Assignee hereunder.

D. This assignment is made and the Policy is to be held as collateral security for any and all liabilities of the undersigned to the Assignee, either now existing or that may hereafter arise in ordinary course of business between the undersigned and the Assignee (all of which liabilities secured or to become secured are herein called "Liabilities").

E. The Assignee covenants and agrees with the undersigned as follows:

1. That any balance of sums received hereunder from the Insurer remaining after payment of the then existing Liabilities, matured or unmatured, shall be paid by the Assignee to the person(s) entitled thereto under the terms of the Policy had this assignment not been executed;
2. That the Assignee will not exercise either the right to surrender the Policy or (except for the purpose of paying premiums) the right to obtain policy loans from the Insurer, until there has been default in any of the Liabilities or a failure to pay any premium when due, not until twenty days after the Assignee shall have mailed, by first-class mail, to the undersigned at the address last supplied to the Assignee, notice of intention to exercise such right; and
3. That the Assignee will upon request forward without unreasonable delay to the Insurer the policy for endorsement of any designation or change of beneficiary or any election of an optional mode of settlement.

F. The Insurer is hereby authorized to recognize the Assignee's claims to the rights hereunder without investigating the reason for any action taken by the Assignee, or the validity or the amount of the Liabilities or the existence of any default therein, or the giving of any notice under Paragraph E (2) above or otherwise, or the application to be made by the Assignee of any amounts to be paid to the Assignee. The sole signature of the Assignee shall be sufficient for the exercise of any rights under the Policy assigned hereby and the sole receipt of the Assignee for any sums received shall be a full discharge and release therefore to the Insurer. Checks for all or any part of the sums payable under the Policy and assigned herein, shall be drawn to the exclusive order of the Assignee if, when, and in such amounts as may be, requested by the Assignee.
